

Baobab

Meeting place,
Neighborhood

About us

- All our activities are available in Polish, English and Ukrainian. All our activities and services are completely free of charge.
- We are open seven (7) days a week.

First Steps

- Labor law consultations – information about the labor market and employment opportunities.
- Polish lessons – Polish language courses for adults at various levels of proficiency, as well as conversation and language workshops

First Steps

- Legal and administrative support - legal consultations regarding legalisation of residence, work and other administrative matters, information on medical, social and other benefits
- Intercultural Assistance – accompanying clients during visits to government offices as well as doctors appointment. Also helps you to book appointments.

Welcome to Lublin

- First Steps in Lublin
- At The Table
- Guided Tours

Crisis Intervention

- We support people experiencing various forms of violence, including gender-based violence. It is particularly important for us to ensure the safety and well-being of children as well as adults .

Activities

- Baobab Space– looking for a place to study? Relax? Or maybe you'd like to have a coffee or tea ? We are here for you.
