We're launching  
our Mobile  
Welcome Point!

The screenshot shows a mobile application interface with a dark background. At the top left is the logo of Politechnika Lubelska Lublin University of Technology. To its right is the text 'PRZED.SZKOLE.' followed by a small icon. Further right is the logo of the Office of International Education (BKM) and its name in Polish and English. The main content area features the text 'WELCOME POINT AT LUT' in large white letters, surrounded by several instances of 'PRZED.SZKOLE.' with small icons. At the bottom, there are logos for the European Funds for Social Development, the Republic of Poland, the European Union (Co-funded by the European Union), and NAWA (Polish National Agency for Academic Exchange).

## Catalogue resources

Library of Lublin University of Technology collects actual Polish scientific literature. It also offers the wide range of the foreign technical literature. Information about the complete collection of books and journals is available through PRIMO search engine, which also enables the library users to order the particular items and provides access to the selected online titles.

## Logging in to the library account

### 1. LUT Students

In order to log in to the library account LUT Staff and Students should write a full email address from pollub.edu.pl domain into the “login” window. Please, reset your password at your first login attempt.

### 2. LUT Staff

In order to log in to the library account LUT Staff and Students should write a full email address from pollub.pl domain into the “login” window. The

# LIBRARY CATALOGUE

Search for:

- books
- journals
- e-books
- e-journals

The screenshot shows the CINT library catalogue interface. At the top, there is a navigation bar with the CINT logo and several menu items: RESEARCH ASSISTANT, CINT, LIBRARY SEARCH, JOURNAL SEARCH, KNOWLEDGE BASES, and COLLECTION DISCOVERY. Below the navigation bar is a search bar containing the text "science". To the right of the search bar are icons for clearing the search, a dropdown menu set to "Everything", a microphone icon, and a search icon. Below the search bar, there are two dropdown menus: "that contain my query words" and "anywhere in the record".

Below the search bar, there is a section for "Tweak your results" with several filters: "Expand My Results" (toggle), "Sort by" (set to Relevance), "Location", "Resource Type", "Creation Date", "Subject", "Creator", "Author", "Language", and "Journal Title" (set to Plos One (319,338)).

The search results are displayed in a list format. The first result is a JOURNAL titled "Science" (1880-), which is PEER REVIEWED and Available Online. The second result is a BOOK titled "Science" by Fuller, Steve, 1959-c2010, which is also Available Online. The third result is a JOURNAL titled "Teaching science (Deakin West, A.C.T.)" (2004-), which is PEER REVIEWED and Available Online.
